## Note from the Editor

Welcome to the second edition of Felsted Focus. Thank you so much for all the kind words sent following the first edition. We really appreciated them.

Thanks to all of you, who kindly contributed pictures and articles for May's edition. I had so much content that, even after increasing this issue by 4 pages, there was not enough room for it all. Please keep sending it. I will use as much as possible in the next or future issues. Remember that only 150 words are enough to fill half a page!

There is a new section in this issue with details of local food outlets in the Village, Flitch Green and Little Dunmow. I wanted to make you aware of our local businesses and the choices we are lucky to have. A lot are having a hard time at the moment so let's try and support them.

Look for rainbows drawn by children in support of the NHS, when you are out for a walk, and listen for the bagpipes in Chelmsford Road and clapping everywhere at 8pm on Thursdays.

From the 60 volunteers helping with shopping and so on, to Felsted School hosting paramedics in training, we have a lot to be proud of here.

Keep safe and healthy.

*Janice*

## Something to brighten us all up

---

Don't the village flowers look good this spring? There aren't only flowers on the main road through the village though, there are tubs outside Oxney Villas on Watch House Green and Bannister Green.

These plants (and containers) are paid for by your Parish Council and planted and watered by a lot of volunteers.

We change the plants twice a year, in May and October, which involves 8 - 10 volunteers emptying the containers of spent plants and some soil replanting with over 700 plants. One of our volunteers borrows a trailer and water butt, which is a great help. I don't know what we would do without them (let's hope he doesn't stop volunteering or worse, move away!)

The plants we remove in October cannot be re-used so one of our volunteers puts them on his compost heap! The plants that we remove in May, usually Polyanthus, can be planted elsewhere to establish and flower again for a number of years. They seem to start flowering very early, too. If you want any of these plants let me know. There are a lot in Felsted gardens already.

Once the volunteers have done the planting in May we rely on 13 waterers around the village to keep them alive.

Each year I ask all these volunteers if they will continue and I've never had a refusal yet. Recently, Felsted School have offered to water some containers if we get stuck for volunteers.

The nursery that supplies our plants tells me that a delay of 1-2 weeks in our planting schedule this year will be OK. Let's hope the country will be in a better position by then.

We could always do with more volunteers of course - it only involves about 2 mornings per annum.

David Dempsey 01371 820665

# Felsted Friendship Club

---

Felsted Friendship Club is not meeting while we are all self-isolating. Members have received an Easter card and are reminded of telephone numbers for committee members who can be contacted whenever required.

We hope to be able to resume our 2020 programme in July.

Please see the article about Book Boxes at Chaffix and Willows Green if you have run out of books to read.

Alison Moore (821632)

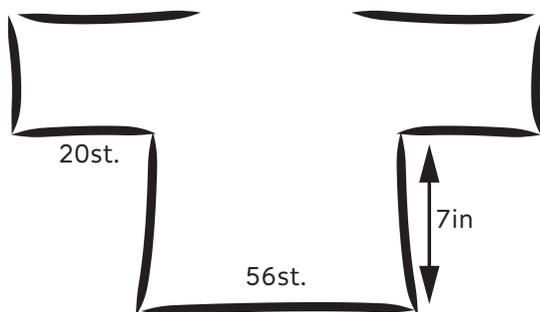

## Wool and Waffle

---

Whilst at present there are no meetings I have had a request from a charity for jumpers (see pattern below) and also either scarves measuring 5" x 26" and hats in any colour/s for war children and children in India. Thank you, Kitty 01371 820444

### 'Jhuggi' jumpers

Cast on about 56 stitches. Knit in k2 p2 rib for 4 rows. Knit plain, preferably in stripes, for about 50 rows (approx. 7 inches). Cast on 20sts each side. Knit for another 50 rows, Rib k2 p2 for the centre 36 sts of the next 3 rows (to make a firm neckline). Next – k30, cast off 36, k30 Next – k30, cast on 36, k30. This completes half the jumper, to the neck opening. Complete the jumper by reversing the pattern. Sew up sides and under arms.

Size 8 or 10 needles may be used.

# Felsted Memorial Hall

---

**Hello everyone.**

For those of you that don't know me, I am Hazel Fox, Chairman of the Memorial Hall committee, and I will be giving you updates about the hall in the new look community magazine. What a refreshing new look too! Lots of interesting and "newsy" articles. Well done Janice and the team.

We have had to close the Memorial hall during the current lock down. All our regular hirers are affected as well as those of you that have booked your parties and celebrations, but we must follow Government instruction. One advantage is that the builder, who is going to refurbish the toilets, can start earlier so that when we re-open, we'll have smart new facilities. He is working alone, so will not be breaking any rules.

During the lockdown, we are keeping the car park barriers closed to try and reduce the anti-social behaviour occurring at the back of the hall at night.

Our AGM was due last month, but like many organisations, we had to improvise and have a virtual one. If you are interested in joining the committee, please get in touch.

We hope to be writing next year's panto very soon, then start rehearsals in October if we can. If you would like to join the crew, in whatever capacity, just give me a ring on 01371 820108.

Keep yourselves safe.

*Hazel Fox*

# Volunteers

Following a request from the government for 250,000 volunteers, over 750,000 people came forward. So, we were confident that the good folk of Felsted would be similarly keen to join the Parish Council's more modest local initiative. And we've not been disappointed!

With around 60 volunteers we've been easily able to meet every request for help we've received. Some volunteers will not yet have been asked to do anything at all and we hope that's the way it stays. We need capacity to be comfortably ahead of demand.

Low demand also reassures us is that there are many local, informal, support networks throughout the parish, ensuring that vulnerable people are already being identified and routinely helped by neighbours.

Our volunteers represent the best of Felsted, with residents and short-term visitors, caught by the lockdown, throwing their hats in the ring with equal enthusiasm. Most of the requests we have received have been for help with shopping or collecting prescriptions: easy to fulfil when our superb village shop and our wonderful dispensary are working flat out to keep village life as normal and as safe as possible.

One positive side-effect of this awful virus is that it has distilled community spirit to a much stronger proof that will survive long after the virus has been defeated. People want to help.

So, to all the many NHS health care professionals living in the Felsted, a special thank you and if we can do anything to make your lives easier, give us a call. We'd be proud to help!

# Felsted Parish Council

---

There has been a lot happening in the last few weeks centred around the Coronavirus situation. The Parish Council Office is currently closed continuing to work from home. If you need to contact the Parish Council please use the telephone number and e-mail address given below and arrangements have been made to forward all post.

In accordance with Government guidance, to slow the spread of the virus, all children's play areas have been closed, along with the public toilets and car park in the main playing field. The weekly Green Waste collections at Bannister Green have been suspended by UDC to save resources and the Beacon Lighting ceremony scheduled for 9 May has been postponed. On a brighter note, the allotments remain open, as they are designated as a suitable exercise facility, but only allotment holders should visit the site to work their plot and safe distancing must be maintained at all times.

## **Dedicated Parish Council helpline during the Coronavirus situation**

The Parish Council set up a dedicated Felsted Helpline on 18 March to respond to requests for assistance from from elderly, vulnerable or self-isolating residents.

## **Appointment of a separate Responsible Financial Officer for the Council**

As part of the arrangements leading up to the Clerk's retirement later this year, Daniel Plunkett had been appointed as the Council's RFO. Daniel is a Felsted resident and we hope that he will enjoy this new role.

## **Please pick up after your dog**

No-one wants to step in dog poo while taking a walk along one of our many footpaths. Please think of others and pick up after your dog and dispose of the waste considerately. The Parish Council has more than 15 dog poo bins located in prime positions around the Parish. Please use them and make life just a little more pleasant for everyone, especially at this difficult time.

Take care and Keep Safe.

**Diane Smith** Clerk to Felsted Parish Council:

---

## Chairman's Chat

Fly tipping is harming the beautiful Essex countryside, posing a danger to wildlife and livestock and costing farmers and landowners time and money to clear away.

Three instances of fly tipping have taken place in the Molehill Green area in the last three days. Bags of rubbish have once again been dumped in the lay-by, tree and hedge clippings in a field gate way and builders rubbish and car parts in a ditch at the Leigh's Lodge cross roads.

With the Council recycling centres currently closed the situation will only get worse, so please only use reputable tradesmen. Check your waste is being taken away for disposal by a licensed carrier, either by asking to see a Waste Carriers Licence or by looking up the company on the Environmental Agency website.

How disappointing it was to hear that the fruit trees planted in the nature area, along with other trees, were stolen shortly after they had been planted, the fruit trees had been planted in commemoration of the 75th anniversary of VE Day.

We are now moving into our second year of transition from overgrown field to a nature area that will give many species room to make a home. Owl and bat boxes are due to be installed once we find ourselves back to normal living.

Apart from nature, the area is for use of the village and to be enjoyed by all residents of the village.

In these difficult times, stay safe.

*Graham*

Graham Harvey  
Chairman Felsted Parish Council

# DISTRICT COUNCILLORS' CORNER

---

Hello from us both, life at the Council as everywhere else over the last few weeks has certainly altered but please be assured that work at UDC is still going on. Hasn't it been a wonderful sight of normality each week to see our bins collected, which has been possible because of the dedication and hard work of all those keeping the service going.

The Garden Waste Collection Service for those who are signed up will restart from Monday 27th April, but unfortunately there is no date as yet for the weekend garden waste service to resume. We both continue in our roles, Sandi chairing a Zoom enabled Planning Committee, and John is preparing with Officers' a report to bring to Full Council with recommendations on whether to withdraw or continue with the Local Plan.

Thank you to the Parish Councillors for organising and all the volunteers that have come forward to help those in their community that are self- isolating or in need of help. Stay safe, stay healthy and if we can be of any help please do get in touch.

# Bird's Eye View

---

Clear Sight Drones started as a spin off from a property maintenance business. We had a number of enquires for surveys of inaccessible roofs and so invested in a professional drone and its associated equipment.

Clive completed his drone pilot's licence which is accredited by the Civil Aviation Authority and is fully insured as a commercial drone operator. Adhering to the CAA regulations is required at all times on our flights and of course the inevitable risk assessments are carried out to ensure safety.

Fiona acts as technical support and as a second pair of eyes during flights as well as using her experience of photography to edit the images when back at the office. This allows our customers to have the best final product for their needs.

As our client base has grown we have been involved in a broad range of jobs, including photographing last year's town Regatta at West Mersea for The Mersea Life magazine, photographing properties for owners, estate agents, finding existing boundaries and roof surveys. We even recently surveyed a roof of an old water mill in the Cotswolds. The areas of application for this technology are vast and varied and include agriculture, marine and even finding lost animals.

[www.clearsightdrones.com](http://www.clearsightdrones.com)

# Recipe

## Just Cakes...

### CHOCOLATE CAKE

#### CAKE INGREDIENTS

300g butter or margarine  
300g caster sugar  
75g melted dark chocolate  
1 tbsp milk  
6 large eggs beaten  
75g cocoa powder  
225g self raising flour

#### BUTTER CREAM INGREDIENTS

125g softened butter  
180g icing sugar  
30g cocoa powder

1. Grease and line two 8" round cake tins
2. Preheat oven to 180 degrees Celsius or gas mark 4
3. Beat together the butter and sugar until well combined and the mixture is soft. You can use either a stand mixer or a hand mixer.
4. Beat in the melted chocolate
5. Beat in the milk
6. Gradually add in the beaten eggs making sure the eggs are well incorporated into the butter/sugar mix
7. Folding gently, add the flour and cocoa powder with the last of the eggs to prevent curdling. Do not beat at this stage or the cake will have less chance of rising.
8. Divide the cake mix evenly into the 2 cake tins and level as best you can.
9. Put the tins on the top shelf of your pre-heated oven and cook for about 30-35 minutes depending on the sensitivity of your oven. The cake is cooked either when a skewer comes out of the middle clean or the middle springs back when gently pressed.
10. Leave to cool for 5 minutes and then remove from tins to cool completely on a wire rack.
11. To make the chocolate butter cream, combine the butter, icing sugar and cocoa powder until smooth.
12. Take one of the cake halves and add butter cream to the flat side. Add the other cake half on top. If you need to level off the bottom of one of the cake halves, this will help it 'sit' better. Dust with icing sugar.

#### TIPS

- Melt the chocolate in the microwave in 30 second bursts, stirring after each 30 seconds to avoid burning the chocolate.

# Felsted People

---

## An interview with Colin Taylor, Vicar of Holy Cross, by phone under lockdown

Colin was born in the mid-sixties in South Africa and came to England as a student to further his studies in the early 1990's. Although originally reading law he latter retrained for the priesthood at Wycliffe Hall. Sylvia, his wife, came with him from South Africa. She finished her further medical qualifications in the UK and is a GP in Earls Colne.

Colin first served as a priest in inner city Carlisle and then took up a post training young clergy and as chaplain to the Bishop of Carlisle. In 2006, after nine years in Cumbria, he applied to become the Vicar of Felsted and Little Dunmow. Having lived here longer than he has lived anywhere, he describes Felsted as a 'fabulous place 'to be. "It's the people that make the difference."

Over the years Colin has seen Felsted change from being a sleepy North Essex village to a place that is very much part of the busy South East. There are more incomers; there is more 'churn' with many new houses. Despite this Felsted still holds a village feel, connectedness that is really special.

I asked about the relationship between church and school. When he arrived it wasn't particularly close but has become closer. Many teachers are churchgoers. He helped in the School for a year after the previous Chaplain moved on. In many ways the closer relationship is redolent of the past. In Victorian times and before the School used to meet in the Church and, indeed, the annual Founder Day service of the School is still held in Holy Cross every year.

Colin described his hope for the future. The current Covid19 crisis has given him, like many people, pause for thought. 'The rush of life' has been stopped. People are reconnecting in different ways , re-evaluating their lives. This will be beneficial. 'We are taking notice of each other more," he says. There are and will be significant financial challenges but relationships should be better, creating a happier place. People are learning new ways of connecting and working using technology. Much of this will endure. Online services are very well attended by every age group, even though personal connection is impossible. We are understanding that we don't need as many material things as we thought we did. Simpler lives are good.

*Margaret Attwood*

# Felsted Holy Cross Church

---

## LIFE|EXPLORED

Life Explored tells six original stories through short beautifully shot films that articulate and explore our inherent longing for more.

The films and Bible interaction then work together to provoke us to consider whether the things we're living for are bringing us what we want, or whether actually – and quite strikingly – they might be imprisoning us.

It's not just about sharing knowledge or learning new facts. The sessions persuasively encourage us to reflect together on how we were choosing to live our lives, and where we can find true happiness.

Live streaming via the Holy Cross Facebook page ([www.facebook.com/holycrossfelsted/](http://www.facebook.com/holycrossfelsted/)) every Sunday @ 8pm.

# The United Reformed Church

---

The United Reformed Church and all related events are currently postponed because of the Corona virus, unfortunately, and will remain so until a directive from the government enables us to re-open.

Under normal circumstances we hold a service every Sunday morning at 10.30 am with a family service and holy communion once a month.

We pray that with God's help we will all keep safe and well.

Should anyone need help during the current circumstances please call Diane Denny. 01376 583994.

God bless.  
Diane

## Pandemic Spring

Butterflies, daffodils everywhere to be seen  
But this year...  
COVID19 brought a different scene,

Wanting to go outside to soak up the sun  
previously seemed like so much fun,  
Family travels abroad:  
Holland, Germany and France -  
Twenty-Twenty; there is no chance!

I listen to the virtual church bells ring... ring...ring,  
Sudden panic buying thing -  
even the people in the \*ISS can hear the contactless  
machine go - DING!

Staring through the window; for a moment I drift  
away...  
to the Spring I used to know,

I imagine the Easter egg hunt – abruptly  
replaced by the toilet paper shunt.

The buzzing and blooming and noises of Spring are  
replaced by a panic of humans  
moving about like a colony of ants,

COVID19 changed my Spring –  
if I could...

I'd fly away on an eagles wing.

*\*International Space Station*

## How Many Words?

How many words can you find from the words "CUTE KITTENS"?

# Calling all rainbow and bear seekers

---

## A colourful and cuddly Felsted trail

All around the world people have been creating rainbows and putting them in their windows to spread some cheer. Now Felsted residents are getting the rainbow vibe, too.

Here are pictures of a few we have found around the village – can you find more on your daily walks, jogs or cycle rides? Can you paint or draw a rainbow and add it to the colourful display?

If you can't make a rainbow, please place a teddy bear in your window. We hope to recreate an alternative adventure, inspired by the children's book 'We're All Going On A Bear Hunt'.

Take a photo of your rainbow or teddy and send it to us. We'll print a selection in the June issue.

# Gardening Tips

---

## Top jobs this month

- Watch out for late frosts. Protect tender plants
- Earth up potatoes, and promptly plant any still remaining
- Plant out summer bedding at the end of the month (except in cold areas)
- Water early and late to get the most out of your water, recycle water when possible
- Regularly hoe off weeds
- Open greenhouse vents and doors on warm days
- Mow lawns weekly
- Check for nesting birds before clipping hedges
- Lift and divide overcrowded clumps of daffodils and other spring-flowering bulbs
- Watch out for viburnum beetle and lily beetle grubs
