There had been no further developments. This would therefore be considered again at the next meeting. Asst Clerk
- 17/41 **Highway matters**

41.2 Footpath 80 – Discussions were continuing between the interested parties (including the adjacent farmer) and it was hoped that a mutually acceptable route could be agreed.
- 17/42 **Repair of pothole at Woodleys Car Park**
Members noted that the Clerk had sought quotations to repair the potholes from 2 contractors, but only one tender had been received. Members also noted that someone (unknown) had undertaken a temporary repair of the most significant holes. - 17/43 **'Road with no name' at Bannister Green**
District Councillor Marie Felton had raised the delay in dealing with this matter at the UDC Scrutiny Committee meeting on 11 April. Legally the Committee had a further 3 months to make a decision on the document so she expected some progress by July 2017.

- 17/47 **Felsted Neighbourhood Plan**
Members noted that because of the recent General Election announcement the planned Consultation Events in June had been postponed to early July (dates still to be confirmed). The NPSG hoped to meet with the PC prior to these public events to provide an update. Members recorded their thanks to the Chairman of the NPSG, Roy Ramm, who was devoting a considerable amount of his time to move the project forward.
- 17/48 **Closure of Holy Cross churchyard**
The Clerk had received only one tender for the churchyard grass cutting contract despite approaching a total of 6 companies to provide the service. The contract would run from 15 May and 7 cuts would be required, at approximate 3 weekly intervals. The Wildlife Area would be strimmed once a year in the Autumn. It was proposed by Cllr Frances Marshall, seconded by Cllr Peter Rose and unanimously agreed to accept the quotation from JCM Services (to cut and collect on all level grass areas and strim every visit) at £1197 plus VAT. Clerk
The Clerk had confirmed that the Council's existing Public Liability Insurance would cover

their responsibility for the churchyard. She would ask the Vicar to provide her with dates and times of future Wedding and Funeral services at the Church so that she could ensure that grass cutting visits did not clash with these times. She would also ask JCM Services to ensure that they showed respect and gave space to any relatives visiting graves.

Clerk

The Clerk would obtain costings for professionally clearing the 'rubbish heap' a number of times a year or alternatively paying for a permanent skip on site to take the rubbish. The possibility of Felsted School assisting with this task would also be investigated at the annual School/PC meeting.

Chairman

17/49 **Recording Felsted's History**

The Chairman had spoken to Chris Riggall who had agreed to try and locate (and pass on) previous work undertaken in this field. It was agreed to set up a Working Group consisting of Cllr Graham Harvey, Cllr Frances Marshall and Cllr John Moore to take this project forward. The Village History Recorder Jules Wallis would also be invited to join the Working Group. Cllr Graham Harvey would arrange an initial meeting, possibly for the following week at The Compasses, Littley Green.

& Cllr Moore

17/50 **CAA Changes to Stansted Flightpaths / Night Flight Consultation**

The Clerk had received acknowledgements from NATS and Sir Alan Haselhurst MP to the submission made to the Flightpath Changes Review.

17/51 **Chairman's matters**

51.1 Damage to Willows Green VAS sign - The Chairman and Clerk had inspected the damage to the sign and concluded that this was possibly the result of being hit by a hedge cutter or similar equipment. Cllr Graham Harvey would investigate the matter further.

51.2 Fly tipping – It was agreed that the Clerk would ask UDC to remove rubbish which had been left in the ditch adjacent to the layby in Molehill Green Road (builders sack and bottles) and at Milch Hill Lane.

51.3 Purchase of new PC laptop – The current laptop was approximately 7 years old. For the last 12 months the screen had intermittently failed. Doc Soft in Great Dunmow had advised that repair was not possible/economical. This problem was now occurring more frequently and for more prolonged periods causing operational difficulties for the Clerk. It was proposed by Cllr John Moore, seconded by Cllr Malcolm Radley and unanimously agreed to purchase a new laptop along with a high volume black and white printer and a new back up storage device.

17/52 **Youth Representative matters**

Poppy Mifsud had sent details of suitable outdoor Table Tennis tables and it was agreed that these would be forwarded to the Asst Clerk. He would visit a local manufacturer in Great Dunmow to inspect their products and it was proposed by Cllr Richard Freeman, seconded by Cllr Frances Marshall and unanimously agreed that the Asst Clerk should order a suitable Table Tennis Table, up to a maximum of £1800. It was hoped that this would be available for use during the summer holidays and that it would be sited either adjacent to the MUGA or just outside the Children's Play Area. Initially it would be sited on a grass surface but the Clerk would establish the cost of providing a more durable surface (hard/soft surfacing) in due course.

53.6 Felsted Youth Club – The Clerk had received a cheque for £286.20 being the residual funds from the former Felsted Youth Club. Final Accounts had also been supplied along with various other paperwork. The former leaders had confirmed that the Council could dispose of the residual equipment as they felt appropriate. The Clerk and Chairman would inspect the equipment being held in storage next week to establish the most appropriate method of disposal (sale/donation to another youth group etc).

Clerk/ Cllr
Harvey

53.7 Police Active Citizen's Scheme – Cllr Andy Bennett had studied this proposed scheme in greater detail and expressed concern that a volunteer member of the public should be placed in this invidious position which had previously been within the remit of a PCSO. Members shared these concerns and agreed that Cllr Bennett should inform the Police that the Council do not support this proposal.

17/55 **Local Plan updates**

55.1 Uttlesford – UDC would be holding an additional public consultation period in Summer 2017 to ensure that sufficient opportunity is given for all resident’s views to be expressed and considered. Cllr Malcolm Radley is working with SERCLE to oppose the West of Braintree Garden Community proposal. The current Chairman of SERCLE is moving away and a new Chairman is being sought for the Group. It was agreed to write to SERCLE putting the Council’s previous grant offer ‘on hold’ until such time as the future structure of the Group is confirmed to the Council’s satisfaction.

Members considered an invitation from UDC to attend a presentation by the developers of the West of Braintree sites on 15 May at 7pm. Given the short notice period, no-one was available to attend this meeting and it was agreed that the Clerk would respond accordingly.

55.2 Braintree – Members noted that the BDC Local Plan Sub Committee would consider the final draft of the Local Plan at their 16 May meeting and that this would then go to the BDC Cabinet for approval on 5 June 2017. A 6 week Consultation Period would follow and it was hoped to submit the Local Plan to the Inspector in Autumn 2017.

55.3 Chelmsford Borough Council – Members noted that Cllr Andy Bennett had attended a Community Preferred Options Consultation which included proposals for a development of 1100 houses at “Great Leighs North” (former Essex Showground site) of which 750 would be accessed off Moulsham Hall Lane. Cllr Andy Bennett had produced a draft response document incorporating the views discussed at the last meeting and it was agreed that this would be submitted by the Asst Clerk before the 11 May 2017 deadline. The Chairman thanked Cllr Bennett for all his work on this matter.

17/56 **Urgent Matters and items for the next Agenda**

56.1 Trimming of 2 trees in Braintree Road (opposite West Brackendale) – The grass cutting contractors had suggested that 2 mature trees on this verge required trimming to raise their crowns and so improve access for grass cutting along with tidying the appearance of the area and preventing them overhanging the road. Members agreed to look at the trees and consider this further at the next meeting. All

56.2 Ravens Crescent Play Area - Cllr Malcolm Radley reported that vandals had recently broken the picnic tables in the play area. A local resident had agreed to repair the damage. It was agreed to put up CCTV signage to deter future vandalism. Cllr Malcolm Radley
