125.3 The Copse, Bannister Green Dead/Top Heavy Trees – A resident has asked if the PC are responsible for these trees. They appear to be on unadopted land and so are outside the scope of the PC.

125.4 Request for Road Sign “Cock Green Road” – The PC believe that the correct name is Cock Green. Asst Clerk will contact Highways to clarify what the formal name actually is.

125.5 Village Decline – Concerns were raised about antisocial behaviour in the centre of the village. This is believed to be linked to The Swann Inn. The clerk will write to The Swann and copy it to Greene King, Environmental Health, the Licensing Authorities and the Police Community Support Officer.

125.6 Churchyard Maintenance.- A resident expressed concern that the grass around some graves was still not being cut to facilitate access. The Churchyard Working Group will meet at the Churchyard to assess the situation.

21/127

Proposed Diversion of Footpath 99

FP 99 runs up the LHS of Willows Green Play Area. It was generally believed to run the whole length of the play area and this is the line that is walked. The official line of the FP cannot be walked as it is cut off by hedging and runs through the new housing development. Should the diversion not be granted in order to open up the true line of the FP, the hedging owned by the PC and inside the play area would have to be removed. The PC agreed that they would support the diversion in order that the "generally believed" FP will become the actual FP.

21/128

Face to Face Meetings

Following the Government ruling the PC monthly meetings will return to being a physical meeting from 2nd June 21. The clerk will carry out a risk assessment in order to ensure that the meeting is held in a Covid secure way.

21/129

In order to facilitate the annual holidays of PC staff it was proposed by Cllr Roy Ramm, Seconded by Cllr Alec Fox and unanimously agreed that a council meeting will not be held in August this year. The authorisation of the Unpaid List will be undertaken by the Finance Committee for any items up to £5000(as permitted by Financial Regulations) during their scheduled meeting on 28th July.

21/130

Triennial Tree Safety Survey

130.1 Survey Report - The Clerk will obtain three quotes for the various tree works required by the survey.

130.2 Copper Beech in Churchyard - The report confirmed that the fungal disease infecting the tree is fatal and the tree must be felled due to safety concerns. JCM Services will schedule the felling for the end of July. It is hoped that some of the wood may be salvaged and used to make a bench/small mementos.

Cllr Graham Harvey will liaise with Rev'd Taylor to keep him updated re the situation. It is believed that a faculty would usually be required to fell a tree in the churchyard. Due to the urgency of the situation the diocese advises that the PC contact the Archdeacon for permission to fell without a faculty. The clerk will contact him.

21/131

Playbark/Renovation

It was agreed that a top up of play bark was not required this year. A quote from JCM Services for £300 to redistribute existing play bark from high/raised areas into the low areas was proposed by Cllr Frances Marshall, Seconded by Cllr Penny Learmonth and unanimously accepted.

21/134 **Parish Signage**

Asst Clerk confirmed that she had approached Halo Signs regarding sourcing a speed warning /elderly people using road sign for the car park exit at Jolly Boys Lane North. She will also liaise with Cllr Richard Freeman regarding a sign stating that the car park is specifically for the use of people using the playing fields/the byway and not for general use.

21/135 **Bury Farm Section 106 Agreement**

This is now very close to completion. Final discussions are underway between UDC/The Developer and between the PC's Consultant/The West Essex Clinical Commissioning Group/The Doctors Surgery.

21/136 **The Queen's Platinum Jubilee**

An events committee has been formed. An article will appear in the next edition of the Felsted Focus informing residents that there will be an event on 3rd June 2022 and asking for their help/views on the type of event they wish to see.

21/137 **Chairman's Matters**

137.1 Bench Willows Green - A second resident has asked to place a bench at the top of Willows Green Play Area. The PC agreed that this may go ahead.

137.2 Bench from Horse Society - Cllr Richard Freeman reminded the PC that he still has a bench that was donated by the Felsted Horse Society when it terminated. Due to difficulties with street working licensing this has not yet been sited.

137.3 Bench outside The Chequers - This is in memory of Brian Baxter. Cllr Graham Harvey will speak to Wendy Barker about the relocating the bench.

21/138 **Clerk's Matters**

138.01 Defibrillator / Book Box Willows Green

i) Leaflets were distributed in Willows Green asking residents if they used the book box. Many residents confirmed that they did. It is therefore planned to have a hybrid box accommodating both the defibrillator/a supply of books. The PC expressed their gratitude to the youngsters who delivered the leaflets as part of their DoE volunteering.

ii) The Clerk explained that the Lifepak CR2 USB Defibrillator is not currently available. The Zoll AED 3 defibrillator had been ordered instead at an additional cost of £70. This defibrillator is believed to be a better model.

138.02 Notice Board at WHG – This has been installed inside the bus shelter.

138.03 Training Updates - The Clerk reported that she had undertaken a training course on Elections/Co-Opting. Cllr Richard Silcock had completed his New Councillor training Days 1 and 2. Cllr Graham Harvey is due to undertake a course on Law and Procedures next month.

138.04 Allotments Unauthorised Trees - A quote from JCM Services for £670 to fell trees/remove stumps from two sites and to remove stumps from an additional plot was proposed by Cllr Roy Ramm, Seconded by Cllr Frances Marshall and unanimously agreed. These plots will then be offered to residents on the waiting list. The PC will look to strengthen future tenancy agreements so that if tenants breach the rules/act in any way that causes the PC to remove structures or unauthorised planting they will be liable.

138.05 Allotments Chairman's Plot – It was proposed by Cllr Richard Freeman, Seconded by Cllr Alec Fox and unanimously agreed that the Chairman of the Allotment Society will have their plot for free of charge as a gesture of thanks for all of their hard work.

138.06 Woodley's Car Park – See Item 113.7.

138.07 Churchyard Wall Planning Application – This was refused. The clerk confirmed with UDC that a second application will be free if submitted within one year. The PC confirmed that the new application will change the style of the railings but will still not include a hedge. A faculty will also be required from the Church.
